Wright

Dear prospective exhibitor,

You are cordially invited to exhibit at the Eastern Section of the American Association of Petroleum Geologists (ES-AAPG) 39th annual meeting co-hosted by the Michigan Basin Geological Society along with the Department of Geosciences at Western Michigan University and the Michigan Geological Repository for Research and Education in Kalamazoo, Michigan, September 25-29, 2010. This meeting's theme is "*Perseverance – the Pipeline to Prosperity*". Expect an exciting technical program that will draw hundreds of attendees from across the nation. Field trips and short courses as part of the conference will provide added incentive for attending.

The ES-AAPG Meeting provides you the chance to show your products and services to a wide audience and furnishes you the maximum benefit for your exhibiting dollar. From the opening Icebreaker on Sunday evening in the exhibit hall, we provide opportunities for professionals to spend time with you and still not miss a technical session. Our opening Icebreaker on Sunday evening will be located in the exhibit area. Poster presentations in the exhibit hall will further expand the chances to interact.

The recently remodeled exhibit hall in the Radisson Plaza Hotel and Conference Center in Downtown Kalamazoo is immediately adjacent to the rooms for the technical sessions. Exhibitor space will be assigned on a first come, first serve basis with both commercial and non-profit booths available. A single, commercial booth will cost \$750 and includes two complimentary meeting registrations. A single non-profit booth will cost \$400 and includes one complimentary meeting registration.

We hope that you will consider exhibiting at the 2010 AAPG Eastern Section meeting in Kalamazoo, Michigan. To assure that you get the exhibit space of your choice, please complete the exhibitor contract and return it with your payment as soon as possible to the address shown. If you have any questions or require additional information, please call me at 517.243.2811 (cell), or e-mail me at nidam@michigan.gov.

Sincerely,

Mark Nida
Chair, Exhibits Committee
